Task	Feature	AspectJ	Java	

1	CountViews	lancs/midp/mobilephoto/optional/sorting/CountViewsAspect.aj
		
		Line 223:
		mediaData.setNumberOfViews(0);
		
		instead of:
		mediaData.setNumberOfViews(numberOfViews);
			ubc/midp/mobilephoto/core/util/MediaUtil.java
			
			Line 151:
			ii.setNumberOfViews(0);
			
			instead of:
			ii.setNumberOfViews(numberOfViews);
				Bug Report:
				When creating/converting media, the counter how often a medium was shown, is always set to 0.

2	PhotoAlbum	lancs/midp/mobilephoto/alternative/photo/PhotoAspect.aj Line 84: String selectedImageName = ""; instead of: String selectedImageName = controller.getSelectedMediaName();	ubc/midp/mobilephoto/core/ui/controller/MediaController.java Line 107: String selectedImageName = ""; instead of: String selectedImageName = getSelectedMediaName();	Bug Report: If a picture of a photo album should be displayed *view*, nothing is displayed, although the photo album is not empty.
3	Favourites	lancs/midp/mobilephoto/optional/favourites/FavouritesAspect.aj Line 153: delete instead of: screen.addCommand(viewFavoritesCommand);	ubc/midp/mobilephoto/core/ui/screens/MediaListScreen.java Line 134: delete instead of: this.addCommand(viewFavoritesCommand);	Bug Report: Although several pictures are set as favorites, the action *view favorites* is not displayed in the menu. The developer claims, he implemented the according functionality.

4	Video	lancs/midp/mobilephoto/alternative/video/VideoAspect.aj
		
		Line 148:
		if (listScreen.getTypeOfScreen() == MediaListScreen.SHOWPHOTO)
		
		instead of:
		if (listScreen.getTypeOfScreen() == MediaListScreen.PLAYVIDEO)
			ubc/midp/mobilephoto/core/ui/screens/MediaListScreen.java
			
			Line 102:
			if (typeOfScreen == SHOWPHOTO)
			
			instead of:
			if (typeOfScreen == PLAYVIDEO)
				Bug Report:
				The option to play a video (command *play video*) is not displayed.

| 5 | Music/ MMAPI | `lancs\midp\mobilephoto\alternative\music\MusicAspect.aj`

Line 171:
`public static final Command playCommand = new Command("Play Music", Command.ITEM, 1);`

instead of:
`public static final Command playCommand = new Command("Play", Command.ITEM, 1);` | `ubc\midp\mobilephoto\core\ui\screens\MediaListScreen.java`

Line 37:
`public static final Command playCommand = new Command("Play Music", Command.ITEM, 1);`

instead of:
`public static final Command playCommand = new Command("Play", Command.ITEM, 1);` | Bug Report:
If you click in the menu on *play music*, no music is played, although the according functionality is implemented. |
| 6 | Favourites | `lancs/midp/mobilephoto/optional/favourites/FavouritesAspect.aj`

Line 72:
`favorite = false;`

instead of:
`favorite = true;` | `c:\ubcOO\ubc\midp\mobilephoto\core\ui\controller\MediaController`

Line 292:
`showMediaList(getCurrentStoreName(), false, false);`

instead of:
`showMediaList(getCurrentStoreName(), false, true);` | Bug Report:
If you click on *view favorites* in the menu, no favorites are shown, although favorites exists and the according functionality is implemented. |
